

DECEMBER 2018

The month of December brings very full days, much activity, and a wide range of emotion. It is important for each of us to take time – planned moments – to read God’s Word and draw on the Living Water He offers to us. We have planned a unique Bible reading schedule this month that will allow you to read select verses focused on four Christmas Advent themes: Hope, Peace, Joy, and Love. Each of our contributing authors has selected verses around the theme for her blog post this month. Enjoy and have a very Merry Christmas!
